**Beat the rush, and register now! Our 2018 - 19 classes are starting in about a month, and are filling fast. Sign up now to save your spot. We offer parent-child classes for families with children from birth to age 9. So, whether you're looking for a parent-baby class**, toddler play-times, coop preschool, art enrichment for preschoolers, or science programs for age 3 - 9, we've got a great class for you. All include parent education sessions for peer support and expert advice on all topics related to parenting. (Classes offered in Bellevue, Carnation, Issaquah, Mercer Island, Renton, Sammamish, and Snoqualmie.) https://www.bellevuecollege.edu/parented/

I tried editing it all the way down to 125 characters. This conveys the essential info, but isn't engaging, and the website URL doesn't fit.

"Register now for 2018-19 parent education classes for families with children birth to age 9. Locations in 7 Eastside cities"

I needed to re-think it a bit: this is 344 characters:
